PROTECTIVE ORDER

On April 24, 1991 the Montana Public Service Commission (Commission) received a Motion for Protective Order from Intervenor Champion International Corporation (Champion) seeking to limit access and use of certain materials and information, as well as certain information requested by Pacific Power & Light Company (PP&L) and Montana Consumer Counsel (MCC) through the following data requests: PP&L - 3 relating to internal generation; PP&L - 4 relating to internal loads; PP&L - 10 relating to cutbacks; PP&L - 11 relating to production costs; and MCC - 112 relating to internal loads and generation. Champion seeks a Protective Order that includes the same provisions granted PP&L in the Amended Protective Order, Order No. 5538c issued in this Docket. Parties are informed and in the interest of proceeding on schedule agree to expedite execution of Exhibit "A," attached and incorporated herein, and to be bound by its terms.
